From the director of “OUR CHILDREN,” comes the stark story of Boris (Cédric Kahn) and Marie (Bérénice Bejo), a couple who have decided to separate after 15 years together. They have two girls that they adore. However, cash-strapped Boris is still living in the family home. When all is said and done, neither of the two is willing to give up. Now this apartment is a war zone and their situation a nightmare.

Joachim Lafosse captures with great magnitude the painfully intimate, harrowingly fascinating drama about the emotional and financial complexities of a separation and the complexity of the end of a long love story.
