**CHANTAL AKERMAN'S LAST FEATURE FILM**

**“One of the year’s most hypnotic and fascinating films.”**

— *Village Voice*

**“Akerman’s formal control is, as always, astounding!”**

— *Time Out*

**“Thrilling... ALMAYER’S FOLLY is lush and dreamy (if not quite dreamlike), but it never feels unanchored or given to pointless meandering.”**

— *L.A. Weekly*

**“Fervently passionate and formally meticulous, the latest stunning coup for a director who’s made a career of repurposing archetypal storylines.”**

— *Slant Magazine*

Somewhere in Southeast Asia, in a little lost village on a wide and turbulent river, a European man clings to his pipe dreams out of love for his daughter. A story of passion, loss and madness. Adapted from the novel by Joseph Conrad.
