**Critic' Pick!** - *The Village Voice*  
"It's a film, a rather gorgeous one, of glances and ephemera and delicate metaphors."  
- Michael Atkinson, *The Village Voice*

"Suwichakornpong achingly recognizes the gulf between pseudo-knowledge and lived wisdom, and it is in this liminal zone that she has chosen to work."  
- Nick Pinkerton, *Artforum*

"The film's textures and syntax are so strange and alluring that Suwichakornpong's film becomes far more than the sum of its disparate parts."  
- Jonathan Romney, *Film Comment*
