THE HOMESTRETCH follows three homeless teens as they fight to stay in school, graduate, and build a future.

Roque, Kasey and Anthony will surprise, inspire and challenge audiences to rethink stereotypes of homelessness. With unprecedented access into the Chicago Public Schools and emergency youth shelters, THE HOMESTRETCH follows these kids as they move through the milestones of high school while navigating a landscape of couch hopping, emergency shelters, transitional homes, street families and a school system on the front lines of this crisis. A powerful, original perspective on what it means to be young, homeless and building a future in America today.
