DARK STAR H. R. GIGER'S WORLD a film by Belinda Sallin

Architect of nightmares and sci-fi pioneer, the Swiss-born artist and sculptor H. R. Giger won an Oscar™ for the iconic monster in Ridley Scott's classic *Alien*. But who was the man behind the images of sexual, biomechanical horror? Director Belinda Sallin brings viewers into his surreal and elaborate home and introduces the man behind the terror.

PRE-BOOK 7/28/15 - STREET DATE 9/1/2015
